

INTERLAM was established in 1987 as an Italian high pressure laminate distributor. Over the years we have grown to become a leading manufacturer of sculpted wall panels and expanded our line of architectural components. INTERLAM is a designer and manufacturer of high-end SCULPTED WALL PANELS, CARVED WALL PANELS, DECORATIVE WALL PANELS, ORNAMENTAL WALL PANELS and components based in the United States and exporting to all corners of the globe. The cornerstone of our business is creating and supplying products to the A&D community that add significant value to their individual projects.
